

scots::Adaptive< X_type, U_type >

A diagram showing a vertical hierarchy of three C++ template names. The top name is 'scots::Adaptive< X_type, U_type >' enclosed in a dashed rectangular box. A solid vertical arrow points from the middle name to the bottom of this dashed box. The middle name is 'scots::Safe< X_type, U_type >' enclosed in a solid rectangular box. Another solid vertical arrow points from the bottom name to the bottom of the middle box. The bottom name is 'scots::ReachAndStay< X_type, U_type >' enclosed in a solid rectangular box.

scots::Safe< X_type, U_type >

scots::ReachAndStay< X_type, U_type >
