

scots::Adaptive< X\_type, U\_type >

A diagram showing a vertical hierarchy of three C++ template types. At the top is 'scots::Adaptive< X\_type, U\_type >' enclosed in a dashed rectangular box. Below it is 'scots::Safe< X\_type, U\_type >' enclosed in a solid rectangular box. At the bottom is 'scots::ReachAndStay< X\_type, U\_type >' enclosed in a solid rectangular box. A solid vertical arrow points upwards from the 'Safe' box to the 'Adaptive' box, indicating that 'Safe' inherits from 'Adaptive'.

scots::Safe< X\_type, U\_type >

scots::ReachAndStay< X\_type, U\_type >
